Agenda:

1. Check the School Council section of the Waycroft website. Some spelling mistakes spotted that need to be corrected.
2. Progress towards target from Pupil voice SEF: Children would like to try some visual targets which are on display, these could be whole class/ personal linked with other areas of development (manners, PSHE etc.)
3. Class reward chart banners all made
4. Teachers informed of class reward charts at staff meeting – all were supportive
5. We need to lead a section of each key stage assembly next week – liaise with teacher leading assembly on Weds for KS2 (8.5.19)

Points to include during presentation:

- We are introducing whole class reward charts
 - Each class will have their own banner, but it will be cut into 10 pieces.
 - Every time your teacher is happy with something the whole class has done, they will award you part of the banner.
 - When the banner is complete, you will get a reward such as extra play, music during lessons, a visit to the library, computer time (blog, mathletics, kahoot) etc.
 - You will have a class vote to decide on the reward.
 - When you've had a reward, you simply start the process again.
 - Does anyone have any questions?
- Volunteers KS2: Finley, Grace, Kya, Brayden, Anthony, Liepa, Harrison

6. AOB

We need computers to be repaired in Y6

School timings – can we have a bell? (We discussed the complexity of this seemingly simple request)
