## Agenda:

1. Target from Pupil voice SEF: Children would like to try some visual targets which are on display, these could be whole class/ personal linked with other areas of development (manners, PSHE etc.)  
This will be in the form of a 10 jigsaw pieces to complete their class name
2. Ideas for rewards if the whole class meets their target:  
Extra play  
Visit to the school library  
Music during work  
Time to do Mathematics, coding, online maths games  
Colouring/art
3. Have a class vote to decide on the treat. Class teachers may give choices across the year group.
4. Banners need to be made for: Britannia, Gypsy Moth, Cutty Sark SSGB, Endeavour QEII, Terra Nova Invincible
5. Children to launch during assembly (KS1/KS2) at the beginning of Term 5.

6. Discussed our community link with Bluebell Gardens: Singing performance? Spring flowers as a gift? Take colouring to share? Easter cards? Make cakes to give to the residents?

7. AOB:

General comments from the children: Behaviour of Y6 boys who are arguing and fighting. Even during organised activities (sports council) it's becoming argumentative. (Will speak to Miss Williams) Poor playtime behaviour KS2.

Lunchbox shelves are not working, they're a mess and get knocked off and trodden on.

People keep playing bulldog and king of the hill on the tyre-park and boat (where you shouldn't be running)
