Whole School contributions-

Input from class council meetings

How can we improve our playground/free range equipment?

Most popular suggestions:

- Pogo sticks
- Skipping ropes
- Playhouse with pretend kitchen X
- Swings, slides climbing equipment (on a timed rota for year groups) X
- Adventure playground, monkey bars X
- Sunken trampoline X
- Space hoppers
- Sandpit with play equipment
- Maze X
- New basketballs
- Swingball reflex football (football on elastic)
- School pet
- Swing ball

How can we select what we should spend our budget on?
Items with X were decided to be too expensive

We will pass these requests to Mrs Sage and plan an assembly that will inform the rest of the school about our plans.

AOB:

Tuck trolley – Are the children being charged the correct amount? Are they getting the right change?

Send a price list home and research healthy tuck that can be sold (only juice cartons are currently available)

KS2 toilets – Y6 girls asked if the toilet cubicles could be designated as 'girls' and 'boys'.
