### **Whole School contributions-**

1. Feedback from class council meetings: Free range play

### **What do we enjoy?**

My class enjoyed going in the field and getting muddy  
The trim trail  
They like playing football on field  
My class like to go out and be free  
People in my class say they like to see their brothers and sisters.  
You can go out no matter the weather

### **What do we dislike?**

Our friends said they didn't like getting dirty  
Some of the red gear is ripped  
My friend said they don't like putting the gear on because they don't like having different clothes on top of their coats.  
Some people didn't like the coats because they're too tight on their wrists  
Getting changed takes up too much time  
People would rather bring old trainers from home instead of wellies – it's hard to run in wellies.  
My class said they didn't like the gear because it's hard to move around and it's uncomfortable  
Wellies get lost  
Some children don't feel safe during free range play

Some children have the same wellies so it's easy to lose them

**How could it be improved?**

Old trainers instead of wellies (some children have them in school for outdoor PE anyway)

Keep wellies in bags

**AOB:**

Well done for a fantastic assembly on Monday!
