## Christmas Gift Boxes for Brunelcare

Give someone special a gift this Christmas.

Proud to sponsor Waycroft Academy sports,  
bringing generations together in our local community.

## Why create a shoebox?

Christmas is a time for family and giving that is celebrated in schools, homes and within the community. It is a time to spend time with loved ones, give/receive gifts and enjoy festivities.

However, Christmas can be a time when some elderly people feel lonely due to: not having a family or family nearby, having a medical condition that makes it difficult to attend community events or not wanting to be a burden on their families.

Intergeneration work within our community is important as people love to have contact with the children at school and this is one way we can give back to the older generation and our community.

## What do I need to do?

If you would like to create a Christmas Shoebox for an elderly member of our community, please read the following guidelines carefully.

Step 1: Cover a shoebox in bright Christmas paper wrapping the bottom and the top separately so they can be checked.

Step 2: Fill the box with a selection of treats such as:

- Socks,
- Hand cream,
- Bubble bath/shower gel,
- Flannel,
- Soap,
- Hairbrush/comb,
- Individual packet of tissues,
- Talcum powder,
- Small non-glass Christmas ornament
- Bought small cake or wrapped sweets with a good use before date,

Step 3: Write a Christmas card or write a small letter wishing the person who receives the gift a Merry Christmas.

Step 4: Complete the attached label and stick it onto the top of the box.

Step 5: Bring the box into school by:
