Agenda:

1. Review attendance data from T5-6 2018 to T1-2 2018 following School council project to improve attendance. Were we successful? Yes!
Terms 5 and 6 – 95.9%
Terms 1 and 2 – 96.9%
2. Review of last term's focus – supporting lunchtime activities to encourage positive behaviour at lunchtime. The majority of the children have been involved in some way and may continue to support Mr Ryan with his lunchtime projects.
3. Using the Pupil Voice SEF, decide on new focus for T3-4

Target copied from Pupil voice SEF: Children would like to try some visual targets which are on display, these could be whole class/ personal linked with other areas of development (manners, PSHE etc.)

This will be in the form of a 10 jigsaw pieces to complete a picture (their class name)

4. Ideas for rewards if the whole class meets their target:
Extra play
Visit to the library
Music during work
Time to do Mathletics, coding, online maths games
5. This needs to be shared with the teachers and discussed with Miss Craig. Decision to follow...
