'I'm a good friend'  
'I'm a good listener'

### **2. Behaviour at Waycroft - discussions from class council meetings**

Discussed moving away from 'numbers'  
Some children were worried that others may be 'getting away with things' that are not being noticed by staff  
Children suggested school councillors could become playground monitors  
"We could monitor our playground behaviour – good and bad"  
They also expressed a wish to compare Waycroft to other schools within our MAT.

## **Follow-up actions:**

- Organise a visit to Woodlands Academy
- Survey the children now and compare it with future survey
- Set up a 'thoughts and feelings' box for children to share their experiences.
