## Agenda:

1. Class council meetings - key comments
  - Some boys feel that it is unfair that the girls have two football days. Their year group day and girls' day
  - Fund raising for lunchtime play equipment
  - The School Council could promote a charity – Little Princess Trust was suggested (providing wigs for people suffering with cancer)
  - Check that KS2 children get larger portions of food than KS1 and EYFS
  - Y5 would like to do more art/DT
  - More school discos
2. Ideas of how they would like achievement assemblies to look. E.g. what kind of certificates, stickers, would they prefer a different format of how classes present things etc.
  - Boy and girl learning heroes from each class.
  - House points to reward Learning heroes.
  - Celebrate the house that wins the house point trophy (the children weren't sure how)
  - Celebrate a subject area each week in assembly.

Most children said they are happy with achievement assembly as it is.
