### Whole School contributions-

1. Input from class council meetings: **How can we improve school lunches?**

#### Likes:

- Lasagne
- Chicken based meals
- Themed lunches (Italian day, American day etc)
- Chilli con carne
- Pizza

#### Dislikes:

- Why can't we have chocolate in our lunchboxes when chocolate flavoured puddings are served at school?
- Jacket potatoes are too big for the younger children
- Main meals – need to be larger portions. The children are all given the same serving regardless of their age.
- School packed lunches were popular, the children miss them.

- Would like burgers on the menu
- Children would like bananas as the fruit option
- Have the salad items served separately (e.g. cucumber sticks)
- The children would like sauce (ketchup, mayonnaise etc)
- Some of the food needs more flavour
- Children would like an alternative to water at the table

Ideas to encourage more children to have cooked dinner:

- Send home paper copies of the menus
- Introduce a competition to encourage classes to compete to have the most dinners
- Incentive to encourage parents – discounts, rewards etc to lead to extra chance cards
- Poster and pictures of children enjoying food
- Tasting session for parents

## 2. **New play equipment (Mrs Sage and Mr Ryan attending)**

Considered funds available and which items on our wish list are going to be purchased for the school.

E.g. Skipping ropes

Space hoppers

Hoola hoops

Jenga

Footballs

Cat's cradle elastics

Tennis rackets

Music outside for KS1

Pom-poms for cheer leader dancing

Orders should be completed and arrive during Term 4.

**AOB:**

Thank you for the invitations for open day – they were fantastic!
