### **Whole School contributions-**

Fire drills – Some children were concerned about where to go at lunchtime, and wanted to make sure all of their class congregated in the same place.

Children noticed that it's been cleaner in the main hall after lunch, and better prepared for gym/dance lessons.

New hall – Y5 and 6 happier to have lunch earlier and everyone is happy to be able to go straight outside after finishing lunch.

Suggestion: Put up signs to direct people to the new hall.

### **Agenda:**

Prepare for the 'Send my friend to school' launch. (Assemblies on 29.4.15)

Show campaign film on 'Send my friend to school' website. Discussed contents and explained that we'll be sharing the information with the rest of the school, and ultimately our local MP.

All children happy to contribute to the assembly – script to be sent round to school councillors by Fri.

Discussed competition to make our own world leader models (either 2D or 3D) and write on the message/idea that would result in more children around the world going to school.

**Next School Council meeting: TBC**
