Agenda:

1. Children from Years 5 and 6 to give feedback from behaviour surveys conducted over the past week.

Can you describe a time that you witnessed positive behaviour?

Strongly agree that everyone feels safe on the school site
All teachers enforce good behaviour

Were there any times that you thought behaviour could be improved?

Behaviour during assembly
Talking during lesson time and input, especially during English lessons
Sometimes there aren't many adults available at lunchtimes
Some children are worried about pushing in the corridors at home time and playtimes.

2. **How can we improve behaviour? Any ideas for strategies?**

Staff to be informed during a meeting
Record specific occasions of poor behaviour
Introduce corridor monitors
Worried that councillors aren't taken seriously – introduce a system for councillors to give rewards/HPs

AOB – The children haven't received badges or lanyards this year, Mrs Maxwell will follow this up.
