

Work to complete if your child is self-isolating, whilst waiting for a test.

Year 6

Continue daily reading ideally engaging with someone else to talk about the book using the reading questions prompt sheet for year 5/6.

Suitable for all subjects – range of online lessons where children can choose topics they need to work on - <https://www.bbc.co.uk/bitesize/levels/zbr9wmn> and <https://classroom.thenational.academy/year-groups/year-6>

Maths

Times Tables Rock Stars <https://trockstars.com/>

It is always a good idea to keep going over the formal methods of the four operations. These are addition, subtraction, multiplication and division. Here are some clips to show how to complete the formal methods for each of these:

Addition and subtraction (including decimals)

<https://myminimaths.co.uk/year-6-week-1-addition-subtraction-using-formal-written-methods-thursday/>

Multiplication - <https://myminimaths.co.uk/year-6-week-2-multiplication-using-formal-written-methods-friday/> (we do not need to multiply by the 3 digit number- you only need to watch up until 4:13)

Division - This one is no remainders....

<https://www.youtube.com/watch?v=SLze82Zcc4Y&t=84s>

This one is with decimal remainders (Year 6 children should really aim to focus on this)....

<https://www.youtube.com/watch?v=gmNie3s4hcl&safe=active>

Time work - <https://www.topmarks.co.uk/Search.aspx?q=telling+time&p=1>

Writing

There are lots of creative writing opportunities on this website:

<https://www.literacyshed.com/home.html>

Some more opportunities here:

<https://www.literacyideas.com/7-fun-writing-activities-for-students>

Children can choose a theme that captures their imagination.

Reading
