### **Agenda: Feedback from Class council meetings**

#### **Attendance focus (linked to pupil voice SEF)**

1. The school councillors shared the feedback from their class council meetings. Those members who had not yet had a class council meeting will discuss this with their class teachers.
2. Following the ideas from the class council meetings we discussed further incentives for good attendance. The idea of a non-uniform day for those with good attendance at the end of the year was raised, although some children felt this could cause arguments and resentment amongst children. We then considered giving raffle tickets to those children with good attendance and awarding a prize for KS1/LKS2/UKS2. The children would like the prizes to be some kind of stationary kit/pens/pencils.
3. Afternoon tea to thank Waycroft volunteers for all their help this year:
  - Invitations printed and namedHow can we make it a special event?
  - Some children volunteered to do a welcome and thank you speech
  - The children would like to put together a slideshow of children working with volunteers
  - Could we invite Bertie the dog as he reads with children?
