Agenda:

Mr Ryan joined us to talk about lunchtime activities that school council can support and lead.

Mr Ryan, Miss Tuckwell and Mrs Simmons will be in Gipsy Moth, Britannia or Ark Royal and would like help most days.

Mr Ryan gave instructions and an explanation of what we're making and how to create it. We will also help to decorate the trees outside to develop a Christmas area and help children to make Christmas cards using recycled cards that have been donated.

We will also send an adult onto KS1 playground to show the younger children what to do – KS1 may just make stand up Christmas trees to simplify the task.

School councillors will also have a chance to make their own.

We can also help the project by bringing in boxes and tinsel etc.

Majority of school councillors will be volunteering for the jobs this week, some KS1 children were shown where to go to find the classrooms where Mr Ryan will be.

Next meeting: To organise Christmas visit to Bluebell Gardens
